

Kerstin Dickert

Member

Year of birth: 1975

Member since: March 1, 2023

Appointed until: next employee election, in 2028 at the latest

Kerstin Dickert studied law at the University of Regensburg. After her studies and legal clerkship, she began her professional career in 2002 at Hypovereinsbank AG in consulting in the area of real estate securities. In 2003, she moved to Siemens VDO Automotive as a senior consultant in the Powertrain division, focusing on legal and process related advisory. From 2006, she worked in an advisory role on contract and process issues in central purchasing at Siemens VDO Automotive, before moving to central operational purchasing for electronic components at Continental Automotive GmbH in 2008.

From 2012 to 2017, she was in charge of material cost reduction in purchasing at Continental Automotive GmbH. At Continental Automotive GmbH, she was head of department for supplier quality from 2017. Since 2020, she is head of department in central purchasing at Vitesco Technologies GmbH and is chairwoman of the company spokesperson committee of Vitesco Technologies GmbH since 2022.
